Indiana Supreme Court

Cause No. 94S00-1602-MS-86

Notice of Change

It has come to the Court's attention that the order issued on December 9, 2016 contains a typographical error on pages 1 and 3. Specifically, the word "of" was omitted from the phrase "one (1) copy of the Transcript" in Indiana Appellate Rule 12(B)(1) as amended; and the word "Court" was not deleted after the notation "[Deleted, eff. January 1, 2017]" in Appendix A(14) as amended. These inadvertent errors were corrected in a revised order that was delivered to the Clerk with this Notice. No other changes were made to the order, and neither the corrected order nor this Notice alter the effective date of the amendments.

The Clerk is directed to (1) enter this Notice of Change on the chronological case summary; (2) remove the original order from the Court's website and post the corrected order in its place; and (3) send a copy of this Notice to Thomson/Reuters, LexisNexis, and Wolters Kluwer.

Done at Indianapolis, Indiana, on December 14, 2016.

Chief Justice of Indiana
