- (4) Filing Sequence. The fourth group shall consist of six (6) characters assigned sequentially to a case when it is filed. It shall begin with a “000001” at the beginning of each year for each case classification (or for each docket book or case pool if more than one case classification is grouped within a single docket or case pool) and continue sequentially until the end of the year. No court is required to change to using six (6) characters in the fourth group to the extent that it requires re-programming that court's existing electronic case management system. The same sequence for each case classification (or for each docket book or case pool if more than one case classification is grouped within a single docket or case pool) shall be used in common for all circuit, probate and superior courts within a county using the same case management system. No court is required to use the same sequence in common to the extent that it requires re-programming that court's existing electronic case management system.
